

**Does Your Company Perform Cutting Edge R&D?**

**Are You A Scientist Looking For Funding For Your Work?**

**Do You Need To Partner With Others to Develop New Products?**

**Do You Want To Find New Technology To Improve Your Product?**

**This is The Perfect Opportunity to Discuss Your Project and Learn How to Win:**

**12th Annual Regional SBIR Conference  
with STTR, Industry Partnering and Tech Transfer  
at  
the Center for Emerging Technologies in Saint Louis, Missouri  
Thursday and Friday, January 28--29, 2010**

The several SBIR program managers will present the latest facts about their programs:

- Learn the secrets to success of federal grant programs
- Meet local service providers and experts who can help you succeed as a start up company
- Meet officials from large companies and universities eager to partner for R&D, technology transfer as well as commercialization
- Ask questions and get answers from the experts
- Schedule one-on-one sessions with the program managers
- Learn more about this \$2.5 billion federal grant program.

The Conference is presented by the Center for Emerging Technologies. Reasonable arrangements for persons with disabilities will be made if requested at least two weeks in advance. All programs are extended to the public on a nondiscriminatory basis.
